HOT NEW PRODUCT

WILL NOT MELT LIKE PLASTIC!

We have finally filled a badly needed niche with our new line of **SoffCapz** socket-head capscrew blackout covers. Dress and streamline the look of your car, truck, or motorcycle engine. **SoffCapz** covers are heat proof to 550° F and will never split like hard ABS covers! Customize your vehicle, add protection, and make your cap-screw heads disappear. We offer a range of different standard metric sizes. Wholesale pricing is now available for both kits, and individual pieces.
