METRO MOULDED PARTS LAUNCHES NEW QUARTER LOCK PILLAR SEALS FOR '75-'79 CHARGERS, FURYS, CORDOBAS, MAGNUMS AND ROADRUNNERS

MINNEAPOLIS, MN

Metro Moulded Parts is proud to announce the release of a new addition to our premium quality line of rubber detail products for restoration vehicles. New part **ALP 7019** replaces the quarter lock pillar seals, also known as U-jamb seals, on 1975-1979 Dodge, Chrysler and Plymouth "B" Body 2 door hardtop and coupe models.

Made of great looking, durable EPDM rubber—specially formulated to protect against the elements. **ALP 7019** features galvanized steel cores with proper mounting hole placement and a smooth jet-black finish.

Comes with our 15-year full replacement, no hassle guarantee. Don't be fooled by claims of "Lifetime Warranty" by other brands.

"Lifetime Warranty" is a legal term that defines a period of use set by law that varies by state. It can be as little as three years. Don't settle for a simple promise of satisfaction—Metro's warranty is the best in the aftermarket weatherstripping and rubber detail part industry.

Models include: Models include: '75-'79 Chrysler Cordoba; Dodge Coronet (Custom, Brougham) / Charger SE / Magnum XE / Monaco (Brougham, Special) and Plymouth Fury (Custom, Sport) / Road Runner
