Metro Moulded Parts is proud to announce the release of a new addition to our premium quality line of weatherstripping products for restoration vehicles. New part **LM 23-P** replaces the front door seals on 1968-1970 Dodge and Plymouth "B" Body 4 door sedan and station wagon models.

Made with Metro's SUPERsoft Sponge™—our specially formulated soft yet durable EPDM sponge rubber—to protect against the elements. Comes with our 15-year full replacement, no hassle guarantee.

Don't be fooled by claims of "Lifetime Warranty" by other brands. "Lifetime Warranty" is a legal term that defines a period of use set by law that varies by state. It can be as little as three years. Don't settle for a simple promise of satisfaction—Metro's warranty is the best in the aftermarket weatherstripping and rubber detail part industry.
