

***Wirth & Wirth Advertising* News Release**

Client: Metro Moulded Parts
Product: 1999-04 Roof Rail Weatherstripping for Corvette Hardtops

New roof rail weatherstripping is now available for 1999-2004 Corvette hardtops. Metro Moulded Parts of Minneapolis, Minnesota has just announced the release of these brand new rubber parts for fixed roof coupe C5's, both regular 'Vettes and Z06 models. Made in the USA from Metro's SuperSoft™ sponge rubber, these seals will keep out wind, weather, and air noise just like the factory original seals did when new. Metro representatives explain that these new seals are part of their "Gold Series Weatherstrips," and come with a 30-year replacement warranty. Metro part number **RR 2009-H** replaces OEM part numbers 10333467 and 10333468.

Feel the Difference with Metro Moulded Parts. For more information about Metro and their full line of high-quality rubber products visit online at www.metrommp.com or call them toll free. Ask about part number **RR 2009-H**.
