CONVERTIBLE ROOF RAIL SEALS FOR '68-'69 CAMAROS & FIREBIRDS - Part Number RR 1501

***MINNEAPOLIS, MN - Metro Moulded Parts Inc.,** is proud to announce the release of a beautiful new addition to our premium quality line of weatherstripping products for restoration vehicles. New part **RR 1501** replaces the convertible roof rail and header bow seals on 1968-1969 General Motors 'F' Body convertible models. **RR 1501** supersedes Metro p/n RR 1500 on some models (details below). Proudly **MADE IN AMERICA** and manufactured with **Metro's SUPERsoft Sponge™** - our vastly superior soft yet durable EPDM sponge rubber compound - to protect against the elements. SUPERsoft™ sponge rubber features microcell technology which provides even compression and sealing for a superior fit. **RR 1501** is also **manufactured with Metro's Legacy PolymersSM** - our vastly superior EPDM dense rubber compound. Legacy PolymersSM rubber contains only virgin rubber with none of the fillers or accelerators that cause other brands to prematurely age and fail.

***Our Warranty:** is a 15-year full replacement, no hassle guarantee. Don't be fooled by claims of *Lifetime Warranty by other brands. * Lifetime Warranty is a legal term that defines a period of use set by law that varies by state. It can be as little as three years. Don't settle for a simple promise of satisfaction - Metro's warranty is the best in the aftermarket weatherstripping product industry.

***New Part RR 1501:** Description—Convertible roof rail and header seals, '68-'69 GM 'F' body convertibles, seven piece set. **RR 1501** supersedes Metro p/n RR 1500 on 1968-1969 models only. 1967 models still use RR 1500. Manufacturer's Suggested Retail Price: \$399.95 per set – contact us for dealer pricing and more info.
