The Flexible Cap For a Clean Look

ALLEN-HEAD CAPSCREW COVERS

We have finally filled a badly needed niche with our new line of **SoffCapz** socket-head capscrew blackout covers. Dress and streamline the look of your car, truck, or motorcycle engine. **SoffCapz** covers are heat proof to 550° F and will never split like hard ABS covers! Customize your vehicle, add protection, and make those socket-head capscrews disappear! We offer a range of standard metric sizes. Wholesale pricing is now available for both kits and individual pieces.
